

HIMALAYA COLLEGE OF ENGINEERING

FINAL ASSESSMENT SCHEDULE

EXAMINATION TIME : 8:00 AM - 9:30 AM

| FIRST YEAR FIRST PART | | | | | SECOND YEAR FIRST PART | | | |
|-----------------------|---------------------------|------------------------------|------------------------------|--|------------------------|------------------------------|--------------------------------|--------------------------------|
| DATE | BCE | BCT | BEI | CSIT | DATE | BCE | BCT | BEI |
| 2079-04-17 | Computer programming | Applied Mechanics | Digital Logic | Mathematics I | 2079-04-17 | Fluid Mechanics | Electromagnetics | Electromagnetics |
| 2079-04-18 | Engineering Chemistry | Basic Electrical Engineering | Basic Electrical Engineering | Introduction to Information Technology | 2079-04-18 | Applied Mechanics (Dynamics) | Object Oriented Programming | Control Systems |
| 2079-04-19 | Thermodynamics | Engineering Physics | Engineering Physics | C Programming | 2079-04-19 | Strength of Materials | Electronics Devices & Circuits | Electronics Devices & Circuits |
| 2079-04-20 | Engineering Mathematics I | Engineering Mathematics I | Engineering Mathematics I | Digital Logic | 2079-04-20 | Civil Engineering Materials | Engineering Mathematics III | Instrumentation |
| 2079-04-21 | | Computer programming | Computer programming | Physics | 2079-04-21 | Engineering Mathematics III | Electric Circuit Theory | Engineering Mathematics III |
| 2079-04-22 | | | | | 2079-04-22 | Surveying I | Digital Logic | Probability and Statistics |
| 2079-04-24 | | | | | 2079-04-24 | Engineering Geology I | Theory of Computation | |

NOTE: The students who delay for 20 minutes after the exam starts will not be allowed to enter the examination hall.

HIMALAYA COLLEGE OF ENGINEERING

FINAL ASSESSMENT SCHEDULE 2079

EXAMINATION TIME : 8:00 AM - 9:30 AM

| THIRD YEAR FIRST PART | | | | FOURTH YEAR FIRST PART | | | |
|-----------------------|---|--------------------------------------|--------------------------------------|------------------------|-------------------------------|--------------------------------------|--------------------------------------|
| DATE | BCE | BCT | BEI | DATE | BCE | BCT | BEI |
| 2079-04-17 | Foundation Engineering | Instrumentation II | Computer Network | 2079-04-17 | Design of RCC Structure | Digital Signal Analysis & Processing | Digital Signal Analysis & Processing |
| 2079-04-18 | Theory of Structures II | Computer Graphics | Operating System | 2079-04-18 | Project Engineering | Energy Environment & Society | RF & Microwave Engineering |
| 2079-04-19 | Numerical Methods | Data Communication | Filter Design | 2079-04-19 | Hydropower Engineering | Computer Network | Artificial Intelligence |
| 2079-04-20 | Concrete Technology & Masonry Structure | Communication English | Engineering Economics | 2079-04-20 | Estimating & Costing | Organization & Management | Organization & Management |
| 2079-04-21 | Water supply Engineering | Software Engg. | Database Management Syatem | 2079-04-21 | Transportation Engineering II | Distributed System | Wireless Communication |
| 2079-04-22 | Engineering Hydrology | Computer Organization & Architecture | Computer Organization & Architecture | 2079-04-22 | Elective I | Elective I | Elective I |
| 2079-04-24 | | Probability & Statistics | | 2079-04-24 | | Project Management | |

Note: The students who delay for 20 minutes after the exam starts will not be allowed to enter the examination hall.
